

HIGH RISK OF LOSING GRAPHIC AND TEXT

There is a limit to our artwork file filtering system, but we try our best to get your orders completed correctly and on time. Please ensure your artwork files are saved in the right format for output. If your files are not saved accordingly, they have a high risk of losing graphic and text in output. So please help us to help you!

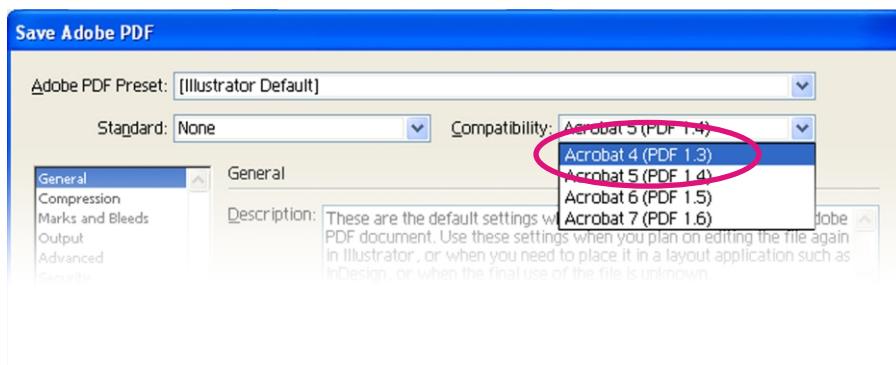

PDF IN ADOBE ACROBAT 4 SETTING

Please convert your artwork file to PDF in **ACROBAT 4** setting.

CorelDRAW

Illustrator

For more information on how to convert your artwork file to PDF correctly, please refer to our website [HELP > Tutorials](#).
